VICTORIA BRITISH COLUMBIA

Whale Tour → CAD \$119

The waters off Victoria, British Columbia are known as the Salish Sea. Discover its wonders and rich marine environment with this ultimate whale and marine wildlife tour! Board a brand new high speed coastal explorer boat and set sail to look for orcas (also known as killer whales), humpbacks, harbor seals, California sea lions and over 127 species of marine birds! Take a tour of the west coast aboard a luxurious coastal explorer, with two outside viewing areas and a fully heated cabin. Enjoy complimentary coffee and hot chocolate as you set off on an adventure to learn all about the local marine wildlife and important landmarks. From playful orcas to giant humpbacks, your experience is sure to be memorable. Discover the marine wildlife in the waters off Victoria with the help of marine biologists and learn about efforts to establish Victoria as a world renowned whale watching destination.
